

2010-2011 Online Math League Registration

Thank you for registering for the 2010-2011 Online Math League. Please complete the form below.

Contact Name: _____ Contact E-mail: _____

Teacher Password (intended for your use): _____

Student Password (for your students' use): _____

School Name: _____

School Address: _____

City/State/Zip Code: _____

Contact Phone Number: (_____) _____

Here are the types of registrations we offer... circle the one that works best for you!

Team Registration:	\$99	1 grade level	2 medals included
School Registration	\$349	4 grade levels	12 medals included

What grade levels are you registering for? (School registrations should circle any 4 grade levels; to register multiple teams, simply circle more than 1 grade level below & multiply the cost above by the number of grade levels chosen.)

2nd Grade 3rd Grade 4th Grade 5th Grade 6th Grade 7th Grade 8th Grade Algebra

You may also purchase the official Online Math League competitions from the past 1, 2, 3, 4, or 5 years to give your students additional sets of study materials! Unlike our online practice problems, these are pencil/paper tests for your students – perfect for math teams, in-class differentiation opportunities, or homeschooling fun! At each grade level, you may purchase last year's contests for \$15 (3 tests in all), the contests from the past two years for \$25 (6 tests), the contests from the past three years for \$35 (9 tests), the contests from the past four years for \$45 (12 tests), or the contests from the past five years for \$55 (15 tests). Note that only contests from the past four years are offered at the 2nd grade level.

How many sets of previous years' contests would you like to purchase, and at what grade level?

one set (\$15) two sets (\$25) three sets (\$35) four sets (\$45) five sets (\$55)

2nd grade 3rd grade 4th grade 5th grade 6th grade 7th grade 8th grade algebra

Prior years' contests available (but competitions no longer available). Note that only 3 years of contests are offered at these levels:

Geometry Advanced Algebra Calculus

Extra Medals: You'll automatically receive two medals with each team registration and twelve medals with each school registration that you purchase. For \$5 each, you can purchase additional medals to award to even more students.

How many additional medals do you wish to purchase? _____

Calculating Your Payment: Total amount due for team, or school math registrations: _____

Additional cost of previous years' contests purchased: _____

Additional cost of extra medals -- _____ extra medals @ \$5 ea: _____

Your Total Cost: _____
